(Snider)

Twisted Forever (Twisted Sister tribute album)

He spent his life  
A silent sentinel  
For all to fear  
He walks, he talks, he thinks, he feels  
But no one dare to go near  
He takes in all he sees  
Nothing escapes his gaze  
And when he strikes  
He strikes for right  
A glourious sight

Destroyer, Destroyer,  
Destroyer  
He's in town

He came to be  
From a grand mistake  
A mystical charade  
Created to decide the good  
And reprecussive aid  
As awardness filled his fame  
He examined those who leered  
Then he cleaved the air  
With his fiery stare  
Rend all those there

Destroyer, Destroyer,  
Destroyer  
He's in town

Destroyer, Destroyer,  
Destroyer  
He's in town

A day will come  
You'll be drawn into  
The center of your town  
A came upon a mass of steel  
The cracks the very ground

Prepare to meet your judge  
Don't think to run away  
Just pray your face  
Holds no disgrace  
For the deadly ace

Destroyer, Destroyer,  
Destroyer  
He's in town

Destroyer, Destroyer, Destroyer  
He's in town
