There's nothing I hate more, than all these plastic people  
With all their plastic promises, and all there plastic deals  
They just can't be themselves, and live their own lives out  
They're just an imitation of what life's all about

"Because of me you are who you are  
So sign your name and you'll go for  
I'm your friend, I think you should  
So sign your name, it's for your own good"  
HOW MANY TIMES HAVE YOU HEARD THIS TODAY???  
Some bogus piss-on saying "Let's do lunch babe"  
For them this bullshit, that's their whole life  
Cut through their bullshit with a knife  
IMITATION OF LIFE

OOOOOH, OOOOH, OH  
ANGER BURNS  
Whatever happened to the guy I knew  
A media creation, a monster grew  
Our story had an unhappy end  
But this could change, I still call him friend

"Take my advice, and listen to me  
A great opportunity, can't you see  
I only want what's best for you  
The deal of a lifetime, what more can I do"  
HOW MANY TIMES HAVE YOU HEARD THIS TODAY???  
Some stupid sucker says "It's great, we luv ya babe"  
For them this bullshit, it's their whole life  
Cut through their bullshit with a knife  
IMITATION OF LIFE

OOOOOH, OOOOH, OH  
ANGER BURNS  
Bands dress like women with hairspray and lace  
I'd pass an image law, stick it in your face!  
Let's see how long they keep dressing this way  
Wearing this image twenty four hours a day!

DID YOU EVER THINK FOR YOURSELF??  
JUST ONCE, DID YOU EVER THINK??  
THAT'S ALL I WANT TO KNOW

IMITATION OF LIFE, living out a lie  
You'll never be right, IMITATION OF LIFE  
WHY ARE YOU HERE??, YOU'RE TAKING UP MY SPACE  
The new imperfect race, IMITATION OF LIFE

OOOOOOOH, OOOOH, OH

ANGER BURNS

Whatever happened to the guy I knew  
A media creation, a monster grew  
Our story had a unhappy end  
But this could change, I still call him friend  
There's nothing I hate more  
Than all these plastic people  
With all their plastic promises  
And all their plastic deals  
They just can't be themselves  
And live their own lives out  
They're just an imitation  
Of what life's all about  
IMITATION OF LIFE!!!!!!
