Making my time on the line  
Filthy with the knowledge I'm  
Planting seeds, spreading disease  
Rip away, tear up the beans

Ravaged  
It's all so damaged  
You're locked in

Disinter the ancient ways  
Deaf to all that dare to pray

Ravaged  
Never as savage  
And that's the

Price you pay, open the door  
Find the monster  
Start the war

I'm bound to  
Bow down to  
I am become Death, destroyer of worlds  
A menial place in this infinite swirl  
Your pitiful lives and none more the wise  
The human condition is dropping like flies  
Unleashed is the beast, the worst of the least  
From sheer depraved evil like Judas Priest  
Having his way, my canvas unfurled  
I am become Death, destroyer of worlds

Reign, reign  
The ending of yours has begun  
The ending of yours has begun  
Who will stand with me in victory?

Chose to trust me better still  
You gave your eyes your own freewill  
Invulnerable, your boil conceit  
I'm leaving you stunned in defeat

Ravaged

So bloody ravaged  
You take this

Brutal beating at my hands  
Uncivilized my victory stands

Ravaged  
Never as savage  
And that's the

Price you pay  
Open the door  
Find the monster  
Start the war

I'm bound to  
Bow down to  
I am become Death, destroyer of worlds  
A menial place in this infinite swirl  
Your pitiful lives and none more the wise  
The human condition is dropping like flies  
Unleashed is the beast, the worst of the least  
From sheer depraved evil like Judas Priest  
Having his way, my canvas unfurled  
I am become Death, destroyer of worlds

Reign, reign  
The ending of yours has begun  
The ending of yours has begun  
Who will stand with me in victory?

Screaming, rapid fire genocide  
Screaming, saints in Hell are running wild  
Rage, the prelude had begun  
Now your epitaph is sung

Pounding, monolithic fists of stone  
Pounding, on the sinner to atone  
Rage, the prelude had begun  
Now your epitaph is sung

I am become Death, destroyer of worlds  
A menial place in this infinite swirl  
Your pitiful lives and none more the wise  
The human condition is dropping like flies  
Unleashed is the beast, the worst of the least  
From sheer depraved evil like Judas Priest  
Having his way, my canvas unfurled  
I am become Death, destroyer of worlds

Reign, reign

The ending of yours has begun  
The ending of yours has begun

Reign, reign  
If you look for a monster you'll find one  
The ending for all has begun
