Endless curse, blood runs cold
Evil stares will turn
Your flesh to stone

Land of doom, world of sin
All subside, don't venture near
The island where she lives
Oh, she'll suck you in

Destroyer of life, Demon
Oh, I'm ready to strike, Gorgon

Serpents bride, the end awaits
Human prey, no swords or armor
Shield you from your fate
Hey you, you can't escape

Wicked smile, full of lies
Head of snakes, approach her cave
But don't look in her eyes
Oh, her eyes

Destroyer of life, Demon
Oh, I'm ready to strike, Gorgon

Seize, appease, deceive, die
Seize, appease, deceive, die

Medusa, she's staring at you
Medusa, with her eyes
Medusa

Evil witch, cast her spell
Seducing you, she'll take you to the
Very depths of hell
Oh no no

Cannot move, no eyes to see
A statue now for all eternity
Medusa laughs at you
And you're her slave

Destroyer of life, Demon
Oh, I'm ready to strike, Gorgon

Seize, appease, deceive, die
Seize, appease, deceive, die

Medusa, she's staring at you
Medusa, with her eyes
Medusa, oh, she's cold
Medusa

Endless curse, blood runs cold
Evil stares will turn
Your flesh to stone

Land of doom, world of sin
All subside, don't venture near
The island where she lives
Oh, she'll suck you in

Destroyer of life, Demon
Oh, I'm ready to strike, Gorgon

Medusa, she's staring at you
Medusa, with her eyes
Medusa, oh
Medusa, oh, she's cold
