Metal thrashing mad  
Oh yeah

Racing down the road  
In a street machine of steel  
Gears are jammed in full  
I'm a madman at the wheel

Got my foot pinned to the floor  
You can feel the engines roar  
Got thunder in my hands  
I'm metal thrashing mad, yeah  
I'm metal thrashing mad, yeah

Driving like a maniac  
Can't go any faster  
Burning up the road  
And heading for disaster

Got my foot pinned to the floor  
You can feel the engines roar  
Got thunder in my hands  
I'm metal thrashing mad, yeah yeah

Ooh yeah, oh  
Racing down the road  
In a street machine of steel  
Gears are jammed in full  
I'm a madman at the wheel

Got my foot pinned to the floor  
You can feel the engines roar  
Got thunder in my hands  
I'm metal thrashing mad

Got my foot pinned to the floor  
You can feel the engines roar  
Got thunder in my hands  
I'm metal thrashing mad, oh
