Everything is perfect
Everything is sick and that's it
You can't tell me to stop it
You can't tell me not to quit and that's it

Revolve around yourself
It's you and no one else
Hard for me to stay
Swinging moods that change
From calmness to deranged
Unpredictable, unpredictable

You would see if only
You hadn't taken things out of my hands
Only
You never wanted to understand

Clashing ways to live here
Compromise for me
I'm at both ends of the spectrum
You're somewhere in the between
Ah, come clean

Revolve around yourself
It's you and no one else
Hard for me to stay
Swinging moods that change
Calmness to deranged
Unpredictable, unpredictable

You would see if only
You hadn't taken things out of my hands
Only
You never wanted to understand

Only
You hadn't taken things out of my hands
Only
You never wanted to understand

Only
You hadn't taken things out of my hands

Only
You never wanted to understand

Only
(Crucified, terrified)
You hadn't taken things out of my hands
(Sacrifice, my whole life)

Only
(My whole life, my whole life)
You never wanted to understand
(My whole life, my whole life)

If only, if only, if only, if only
I can't contain myself
I can't contain myself
I just can't take myself
