Do it, drive it, drink it, smoke it  
Choke it

Two steps forward  
One hundred steps back  
We're going the wrong way  
It's backwards, it's backwards  
Cuffed and branded  
I can't stand it

Give me the lane I'm gonna lay it my way  
When I want to  
Charged by the pain  
I'm gonna scream out my name if I want to

Live it, be it, hold it, touch it  
Kick it, beat it, love it, suck it

Two steps forward  
One hundred steps back  
We're going the wrong way  
It's backwards, it's backwards  
Cuffed and branded  
I can't stand it

Give me the lane I'm gonna play it my way  
When I want to  
Charged by the pain  
I'm gonna scream out my name if I want to  
I feel like I'm riding shotgun  
Not a roll I can play  
I would never get on my knees  
And walk the walk of the dead

I won't take a back up,  
I'm gonna get my back up  
I won't take a back up,  
Charged by life and nothing more

Do it, drive it, drink it, smoke it  
Live it, be it, hold it, touch it  
Kick it, beat it, love it, suck it!

Give me the lane I'm gonna play it my way  
When I want to  
Charged by the pain  
I'm gonna scream out my name if I want to

I'm riding shotgun
