Yo disrespectin me, something I can't ignore
And now it's time for you and me to settle that score
Time for me to tell you something you oughta know
If you treat me like yo bitch, gonna treat you like my ho

I'm going to fuck you in the ass

Now please don't misunderstand what I'm saying to
you
There's no amorous intention in what I'm gonna do
I'm no homo, not in any way shape or form
I ain't surf'in the web lookin' for
boy guy porn

But I'm going to fuck you in the ass
Uh-huh
Fuck you in the ass
Yo gonna pay that price
Fuck you in the ass

I penetrate ya cos I hate ya
It's a means to an end
So while I'm pumpin, don't be jumpin to conclusions my
friend
If I shout out that I loves ya, that just ain't the case
If I grab yo dick and balls, its just to hold you in place
While I fuck you in the ass

Don't get the wrong idea man
Fuck you in the ass
I ain't your fuckin' boyfriend here
Fuck you in the ass
No-one's enjoying this man, this is strictly business

And then my strokes get deeper and I'm fixin to come
But somehow when it's over, my work still isn't done
I need to hurt you more, got t' take ya
hell
This thing isn't over til you fuck me as well

Make you fuck me in the ass
Force you to fuck me in the ass
Learn your lesson man
Fuck me in the ass
Don't be forgettin this
Fuck me in the ass
Your humiliation's complete, nigger
