Tricky

Why'd you fall sour over me?  
You know you have no power over me  
I get on your nerves so I twitch  
My friends call me "bitch"  
But that okay cause I'm your bitch  
I'm your rich bitch and  
I got money, money I got  
She likes me a lot  
Cause I'm... a go go jupiter joy  
A ghetto boy  
Unfortunately, she gives me a boy  
If I find out I'm not the only one  
I'ma chew you up like bubble-gum  
I'ma tear your mouth and nose off  
If you dare to take your clothes off

Martina

(repeating throughout background)

Seemed like the real thing  
Only to find  
Mucho mistrust  
Love's gone behind

Tricky

I wouldn't want distance from you  
You test my muscle? vein to see if I was true  
Never liked my new spouses cause I crept from strange  
houses  
I keep tellin' em don't give a fuck about millennium  
Why'd you fall sour over me?  
You know you have no power over me  
I get on your nerves so I twitch  
My friends call me "bitch"  
But that's okay cause I'm your rich bitch and  
I got money, money I got  
She likes me a lot  
I keep tellin' em don't give a fuck about millennium

If I find out I'm not the only one  
I'ma chew you up like bubble-gum  
I'ma tear your mouth and nose off  
If you dare to take your clothes off  
I keep tellin' em don't give a fuck about millennium  
I'ma chew you up like bubble-gum  
She likes me a lot  
If I find out I'm not the only one  
I'ma chew you up like bubble-gum  
Come on  
She likes me a lot, she likes me a lot  
If you dare to take your clothes off ...  
( repeat again and again ... )

Martina  
(repeating throughout background)

Seemed like the real thing  
Find  
It was a gas!
