(Tricky and A. Smith -> Aka Ambersunshower ) ...

Ambersunshower :

She's been waiting for that special someone

Anguished by the tears left behind them

Fortifying all that lying

Putrid taste left in her mouth

Chorus :

(Ambersunshower sings while Tricky raps)

Ambersunshower :

Follow me, follow me

Down

Follow me, follow me

Down

Tricky :

Yeah, c'mon

Let's do the maniac

Maniac, bumping like a brainiac

Brainiac, I don't remember [?]

Land me down, touch me down at heathrow

Reach down, the first time I ever feel

Bouncers [face?] on 57th st

Calm down, I feel a cool breeze and

Not particular

I think I found a reason

[For I saw?] what I saw

Ambersunshower :

She's been waiting for that special someone

But then look what she's got left

Fortifying all that lying putrid taste left in her mouth

Chorus :

(Ambersunshower sings while Tricky raps)

Ambersunshower :

Follow me, follow me

Down

Follow me, follow me

Down

Tricky :

Yeah, c'mon

Let's do the maniac

Maniac, bumping like a brainiac

Brainiac, I don't remember [?]

Land me down, touch me down at heathrow  
Reach down, the first time I ever feel  
Bouncers [face?] on 57th st  
Calm down, I feel a cool breeze and  
Not particular  
I think I found a reason  
[For I saw?] what I saw  
A: contamination cramps the surface  
blood runs cooler than you flow  
she is hiding smiles behind whispers and tears  
chaos reaches higher ground  
Ambersunshower :  
Chaos, chaos, chaos  
Ambersunshower :  
Follow me, follow me  
Down  
Follow me, follow me  
Down  
Thanks to Irene for the lyrics of this song
