Stress for free [unverified]  
They wanna stretch to see  
They wanna see the dark  
They wanna leave a mark

Don't wanna hear them scream  
I wanna lie in my wet dream  
Don't wanna go too far  
Don't wanna drive my car

Don't wanna die too soon  
So I like people to provide with room [unverified]  
Don't wanna move too quick  
You won't suck my

Don't wanna see strip bars  
Don't wanna live in cars  
You love to live in large  
Live in credit cards  
I'd like to talk and walk  
I'd like to move walk [unverified]
