Visit "[Had You In Me](#)" on [MotoLyrics.com](http://MotoLyrics.com)

( With Neneh Cherry )

Note: it begins with Tricky speaking in the background to someone in the studio.

( I shoulda been a women. i don't understand why I'm a man )

Tricky & Neneh Cherry :

Had you in me, had you in me,  
Had you in me, had you in me,  
In me, in me.

Sick of what i feel, sick of being real  
Better stay clear or I might hijack a plane  
I'm getting sick of what i feel, sick of being real  
You better stay clear cos im about to blow the fuck up  
Neneh Cherry :

Soap on my body's gonna make me clean,  
Giving birth makes me scream,  
See my light (life?) pass before me as i drown in the  
shadow under my  
Bubble bath,  
A forced laugh a forged autograph,  
First my body,  
Now my corpse

I exercise daily...love my sports  
I need when i concieve,  
I sow seed, I can see no remorse,

Tricky & Neneh Cherry : X2

I had you in me

Had you in me

You in me

In me

Me

Sick of what i feel

Sick of being real

Better stay clear or I might hijack a plane

I'm gettiing sick of what i feel

Sick of being real

You better stay clear cos im about to blow the fuck up

Tricky : I'm liquid

Neneh Cherry :

Serving speed, self deceit,

I teased you now you're tame,  
Put treacle on your tummy to keep you sticky when I  
steal,  
I take from you I hate for you  
You fools who feel free (?)  
You look like a little somebody looking for something  
Tricky : And I'm still myself (to fade)
