

Tricky "Headphones"

Genius

To fall asleep to your tape last night

(so warm)

Sounds go through the muscles

These abstract wordless

Move-ments

Move-move-move-move-move

They start off cells

That haven't been touched before

These cells are virgins

(waking up slowly)

My headphones

They saved my life

Your tape

It lulled me to sleep, to sleep ..

Nothing will be the same

(I'm asleep, I'm fast asleep)

I like this resonance

It elevates me

I don't recognize myself

This is very interesting

My headphones

They saved my life

Your tape

It lulled me to sleep, to sleep ...

I'm fast asleep now

Your still with me

(I'm fast asleep, I'm asleep)

My headphones

They saved my life

Your tape

It lulled me to sleep, to sleep ...
