I live in the womb
But I'll be out soon
But I'll be out soon
That means you're a fucking pig
A fucking redneck pig
[E-fucking-ha]

I live in the womb
But i'll be out soon
My mother's blood's red
She gave birth
You must be dead
You must be dead
Wish you were dead
Wish you were dead
In god you trust
What does that mean
The (once side a green/once i'd agree/one-sided
greed)
Wish you were dead

Wish you were dead
Wish you were dead
I wish you were dead
That's what that means
'N that's what that means
'N that's what that means
I wish you were dead

Now you know what i mean
Now you know what i mean
[The one-sided greed]
[The one-sided greed]
And in god you trust
And in god you trust
You know what that means
You know what that means
[The one-sided greed]
[The one-sided greed]
[The one-sided greed]
But i'll be out soon

But i'll be out soon
But i'll be out
Mother's blood red

I must be dead
Must be dead
I must be dead

Wish you were dead
Wish you were dead
Now you know what i mean
Now you know what i mean
Wish you were dead
I wish you dead
Now you know what i mean
But you ask, what do i mean?
I mean, wish you were dead
Wish you were dead
Wish you were dead
Wish you were dead
Wishing you dead
I'm wishing you dead
Yeah, I'm wishing you dead
Yeah, I'm wishing you dead
Yeah, I'm wishing you dead
Now you know what i mean
Now you know what i mean
Now you know what i mean
[The one-sided greed]
It's the [one-sided greed]
I'm making money
To the money
To go on
Make some money
Make some guns
Make some bombs
You know how we like it

I'm making money
For the money

For the money
To go on
Make some money
Make some guns
Make some bombs
You know how we like it
You know how we do
I don't sell records
I sell guns
I don't sell records

I sell guns
I sell guns
For the funds
I sell guns
For the funds
I'm makin' money
To go on and
Make some money
Make some gons
Make some bombs
Fat million-dollar weekend
Let's go bamb those bastards
Let's go and bomb those bastards
Let's go and bomb those bastards
The corporate companies
Keeping us company
I do as they say
I survive
I will stay alive
I will [get me a little (piece/peace)]
Let's take a local piece

I don't sell records
I sell guns
I sell guns
For the funds
I don't sell records
I sell guns
I sell guns
For the funds
It's like money makin' my enemy
It's like money makin' my enemy
[I've brought]
[North broadway]
[From fuller broadway]
[It's a corporate broadway]
[I've brought]
[North broadway]
[From fuller broadway]
Let's go bomb these bastards
Let's go bomb these
Let's go bomb these bastards
Let's go bomb these
Wish you were dead
Now you know what i mean
Now you know what i mean
I wish you were dead
I'm wishing you dead
Now you know what i mean
Now you know what i mean
I wish you were dead

I wish you were dead
Now you know what i mean
Now you know what i mean
Now you know what i mean
I wish you were dead

And in god you trust
What does that mean?
[The one-sided greed]
[The one-sided greed]
I'm wishing you dead
And you know what i...mean
I'm wishing you dead
And you know what i...mean
I'm wishing you dead
And you know what i...mean
The [one-sided]
The [one-sided]
I wish you were

Now you know what i...mean

I must be dead
I must be dead

Know what i mean
Must be dead
Must be dead
