Tricky:

Little blood clock  
You could never test I  
You come close  
Just close my left eye  
See with my third  
The rest you never heard  
Executive roosters  
And pop producers  
What you're used ta  
I get looser  
I can use ya, abuse ya  
Fuck what you're used to  
I'm gonna lose you  
I'm not what I used to  
I see thru ya  
I see thru ya

Costanza Francavilla :

I'm needy  
I'm greedy  
Feed me  
Give me some  
I'm needy  
I'm greedy  
Feed me  
Give me some

I keep it coming  
I keep it coming  
I'm running all the way  
And while I'm running  
And while I'm running  
I'm gonna leave you far away

Perry Melius:

Who you down like  
Who do you sound like  
Who you down like  
Who do you sound like  
You sound like T  
How he used to be

Keep on talking  
Watch what he's making  
You're in the bars  
With your stars  
You go far  
You're up to par  
Your turn to flex

Costanza Francavilla :  
I'm needy  
I'm greedy  
Feed me  
Give me some  
I'm needy  
I'm greedy  
Feed me  
Give me some

I keep it coming  
I keep it coming  
I'm running all the way  
And while I'm running  
And while I'm running  
I'm gonna leave you far away

Give me some

I keep it coming

I keep it coming
