(Massive attack)

(vowles, del naja, marshall, thaws, norfolk, locke)

Tricky

You sure you want to be with me

I've nothing to give

Wwon't lie and say this lovin's best

Leave us in emotional peace

Take a walk, taste the rest

No, take a rest

3D

I see you digging a hole in your neighborhood

You're crazy but you're lazy

No need to live in a lean-to

Your troubles must be seen to seen to

Money like it's paper with faces i remember

I drink on a daily basis

Though it seldom cools my temper

It never cools my temper

Tricky

Walking through the suburbs though not exactly lovers

You're a couple, 'specially when your body's doubled

Duplicate, then you wait for the next kuwait

(both)

Karmacoma, jamaica an' roma (x4)

3D

You sure you want to be with me i've nothing to give

Take a walk take a rest taste the rest(x2)

Take a walk take a rest a taste of rest

Tricky

Don't want to be on top of your list

Phenomenally and properly kissed

We overcome in sixty seconds

With the strength we have to together

But for now, emotional ties they stay severed

When there's trust there'll be treats

And when we funk we'll hear beats

(both)

Karmacoma, jamaica an' roma (x4)

3D

Deflowering my baby, are you my baby mate

I must be crazy, see i'm swazy

Digging a hole in your neighborhood
You're crazy but you're lazy, must be lazy
Tricky
Don't wanna on top of your list
Monopoly and properly kissed
3D
Deflowering my baby, are you my baby mate
My baby
Deflowering my baby, are you my baby mate
I must be crazy, you must be lazy
(both)
Karmacoma, what?, jamaica an' roma (x4)
