Are you ready  
Oh my spirit  
Oh my lonely  
Conceal it for me

In other words flip flop  
They said that I get dropped

Big time, I'm on my way  
I'm making it, big time  
Big time, I'm on my way  
I'm making it, big time

Big time, I'm on my way  
I'm making it, big time  
Big time, I'm on my way  
I'm making it, big time

Oh my lonely  
Conceal it for me  
? I'm still feeling ?  
? You won't mix it ?  
Brand new retro  
I won't let go  
Are you ready  
? I'm still feeling ?  
? You won't mix it ?  
Are you ready  
? All my skin is ?  
? I'm still feeling ?  
? You won't mix it ?

Are you ready X2

Big time, I'm on my way  
I'm making it, big time  
Big time, I'm on my way  
I'm making it, big time

Big time, I'm on my way  
I'm making it, big time  
Big time, I'm on my way

I'm making it, big time ...
