Tricky:

It's my world

It's my world

Tricky & Costanza:

Running

Breathing

Deceiving

Take and make

What you breath in

Know me

Show me

Hardly

No you can't A&R me

Costanza Francavilla :

I pretend I don't exist

I close my eyes and wish

Taste like liquorice

& sound so devilish

Slide across the floor

Move a little more

Take a sip & pour

I've heard it all before

Tricky & Costanza:

It's my world

Gonna take it now

Make it now

Make it shout

All this green

Gonna make me mean

Make me dream

Make me skim

(2x)

Constanza Francavilla :

I'm feeling

Feeling

Craw across the ceiling

In the day mix

They play cheap tricks

I pretend I don't exist  
Close my eyes and wish  
My thoughts are devilish  
My thoughts are just a wish  
Tricky:  
It's my world  
Gonna take it now  
Make it now  
Make it shout  
All this green  
Gonna make me mean  
Make me dream make me skim

Tricky & Costanza:  
It's my world  
Gonna take it now  
Make it now  
Make it shout  
All this green  
Gonna make me mean  
Make me dream make me skim

Tricky:  
It's funny how you feel  
The eyes in your head  
The brain and spine  
Releases fluid when you're dead  
Then you start to shed  
Turning to something else instead  
Something else was said  
Someone else's sunset was red

Tricky & Costanza:  
It's my world  
Gonna take it now  
Make it now  
Make it shout  
All this green  
Gonna make me mean  
Make me dream make me skim  
(repeated)
