(Repeated throughout: He's falling, slowly falling,
Jesus Christ)

Tricky :

When will it ever end?

See it in the face again

Space trace the alien

And he shall be called Adrian

So it seems I'm the devil's son

Outta breath and on the run

Jesus christ don't wanna be me

First you burn then try to see me

When will it ever end?

See it in the face again

Space space trace the alien

Space trace the alien X2

And he shall be called Adrian

So it seems I'm the devil's son

Outta breath and on the run

Jesus christ don't wanna be me

First you burn then try to see me

First you burn X2

You need to breath and there's a sequal

When I rock there is no equal

And you need to breath and there's a sequal

When I rock there is no equal

When I slide divided it becomes

(Repeated throughout : He's falling, slowly falling,

Jesus Christ)

Grim Reaper :

The world economy

He's falling, slowly falling

When those streets are paved with gold and silver,

Ahahaha, when will this mad-ness ever end ?

He's falling, slowly falling, Jesus Christ X2

There is no more rain left in the forest,

Everything is petrified, terrified, horrified..

You've been denied!

The right to your third eye. now it's shut-t-t-t-t

No more to be opened, ahahaha

Gatekeeper
Gatekeeper :
There are reasons and fouls to fax and those who get
caught in the act
Get the axe, yet, my style is known to catapult like a jet,
like a F-15
Yo! my gleam is bright and hard when it strikes
Niggaz get caught in the dead of the nightmare! Ah!
you're scared, duck
away
Don't get too close or you might just get roast, roast!
ha!
I come with the pharaoh, the sparrow, the crow
Just like an arrow to the bone, oh
I piss through your toe, your knee and your cap
Wouh! Decapitate and scatter it, Wouh! Batter it thieves
and villains,

those who aren' t killin,
that's, there's the willing
Lord, thats the way they choose when you are bound to
lose
