Alison Goldfrapp:

Pumpkin  
you're hollow within  
More how I'm to slowly  
let their harm  
Give us some  
It's sad until  
Like flowers untamed  
Shine out ends  
I find what will make him  
Love me  
Life is our find  
Hollow is he

Tricky:

I can't breathe and I can't see  
MTV moves too fast, I refuse to understand  
You go your way and I'll see mine  
Feels like wasted time  
And it feels like I must be blind  
How'd you like yourself?  
You don't know yourself

Alison Goldfrapp:

To a hollow kind, don't mind  
Love is some of you  
Don't dabble in fall of failure  
How bad, ooh, ooh

Tricky and Alison Goldfrapp:

I smell of she and I fail to be  
Well anyway, well anyway, well anyway

Alison Goldfrapp:

See how high  
Go on

Tricky:

I can't see and I can't breathe  
I can't see and I can't breathe  
I can't see and I can't breathe  
I can't see and I can't breathe  
Well anyway, well anyway
