Tricky:

Search search survive  
Say you're lucky alive  
You could be Aalyah  
The grass is usually greener  
Life is usually meaner  
I'm like Ike I die for  
I'd rather be released  
Than controlled by the beast  
It's not my fault  
You're not a writer  
Emotional exciter  
You're not a writer  
Emotional exciter  
You're nobody  
I do this for a hobby  
The editor of Face  
Well edit this place  
Exit without trace  
After we edit your face  
You know I come in peace  
Until the tension is released  
You know I come in peace  
Until the tension is released

Tricky & (Constanza):

Search search survive  
(Serchi e sopravvivi)  
Say you're lucky alive  
(Sei tu fortunato e vivo)  
You could be Aalyah  
(O forse Aalyah)  
The grass is usually greener  
(L'erba e gia piu verde)  
Life is usually meaner  
(Ma la vita e piu meschina)  
I'm like Ike I die for  
(Io sono come Ike e muoio per)  
I'd rather be released  
(Preferisco liberato)  
Than controlled by the beast

(che da una bestia dominato)  
It's not my fault  
(Non e colpa mea)  
You're not a writer  
(Tu non sei uno scrittore no)  
Emotional exciter  
(Commovente ed eccitante)  
You're not a writer  
(Tu non sei uno scrittore no)  
Emotional exciter  
(Commovente ed eccitante)  
You're nobody  
(Tu sei nessuno)  
I do this for a hobby  
(Lo faccio per gioco)  
The editor of Face  
(Il direttore di Face)  
Well edit this place  
(Sta bene in questo posto)  
Exit without trace  
(Esce senza traccia)  
After we edit your face  
(Curiamo la sua faccia)  
You know I come in peace  
(Lo sai vengo in pace)  
Until the tension is released  
(La tensione sale)  
You know I come in peace  
(Lo sai vengo in pace)  
Until the tension is released  
(La tensione sale)
