Someone talk to me now
Energy won't move me
Oceans, oceans won't soothe me
Cry me a bayou
Slime, sleaze pass through

You love it when I'm leaving
You love it when I'm leaving

Someone talk to me now
Energy won't move me
Oceans won't soothe me

You love it when I'm leaving
You love it when I'm leaving

Angels with dirty faces
Disappear without traces
Them bones

Angels with dirty faces
Disappear without traces

Love it when I'm leaving you
You love it when I'm leaving

Someone talk to you now

I love it when you leaving
I love it when you leaving

Cry me a bayou
Someone talk to you now
Energy won't move me
Oceans, oceans won't soothe me

Love it when I'm leaving
Love it when I'm leaving
Cry me a bayou
Slime, sleaze pass through

Angels with dirty faces

Disappear without traces
Cry me a bayou
When I'm leaving
