Color me, color me  
When you're sitting all alone  
In the middle of the floor  
There's something uncontrollable  
You sit there watching the door

Color me, color me  
I really feel ill, tattoo your bad side  
Slap your thigh, slap your calf  
Sing your mantra, leave your walk  
Color me, color me

Something fierce along my spine  
Just givin' lovin' from behind  
Fortify my arms, fortify my arms  
Color me, color me

When you're sitting  
All alone in the middle of the floor  
There's something uncontrollable  
You sit there watching the door  
Color me, color me

I really feel ill, tattoo your bad side  
Slap your thigh, slap your calf  
Sing your mantra, leave your walk  
Color me, color me

Something fierce along my spine  
Just givin' lovin' from behind  
Fortify my, fortify my, color me, color me  
Color me, color me, color me

Something fierce in the middle of the floor  
There's something uncontrollable  
You sit there watching the door  
Color me, color me

I really feel ill, tattoo your bad side  
Slap your thigh, slap your calf  
Your mantra, leave your walk  
Color me, color me

Something fierce along my spine  
Just givin' lovin' from behind  
Fortify my arms, fortify my arms  
Color me, color me
