We move like cagey tigers
Like cagey tigers, we couldn't get closer
The way we talk, the way we walk
The way we stalk, the way we kiss

[Inaudible] streets
While everybody sleeps
Gettin' bigger and brighter, wider and lighter
Bigger and brighter, wider and lighter

Into the sea, you and me
All these years and no one heard
I'll show you in spring
It's a treacherous thing

"We missed you", hissed the love cats
"We missed you", hissed the love cats

We're so wonderfully
Wonderfully, wonderfully
Wonderfully pretty
You know that I'd do anything for you

We should have each other for tea, huh
We slither each other with cream
I call you near the fire, curl for awhile
It's a wonderful dream, it's a wonderful dream

Into the sea, you and me
All these years and no one heard
I'll show you in spring
It's a treacherous thing

"We missed you", hissed the love cats
"We missed you", hissed the love cats

Like cagey tigers, we couldn't get closer
The way we talk, the way we walk
The way we stalk, the way we kiss

[Inaudible] streets
While everybody sleeps

Gettin' bigger and brighter, wider and lighter
Bigger and brighter, wider and lighter

Into the sea, you and me
All these years and no one heard
I'll show you in spring
It's a treacherous thing

"We missed you", hissed the love cats
"We missed you", hissed the love cats
"We missed you", hissed the love cats
