We move like cagey tigers  
Like cagey tigers  
We couldn't get closer  
The way we talk, the way we walk

The way we stalk, the way we kiss

We slip through the streets while everyone sleeps  
Getting bigger and brighter and wider and lighter  
Bigger and brighter  
Wider and lighter

Into the sea, you and me  
All these years and no one heard  
I'll show you in spring, it's a treacherous thing  
We missed you hissed the love cats  
We missed you hissed the love cats

We're so wonderfully wonderfully  
Wonderfully wonderfully pretty  
You know that I'd do anything for you  
We should have each other for tea, huh?  
We should have each other with cream  
Then curl up by the fire and sleep for a while  
It's the grooviest thing, it's the perfect dream

Into the sea, you and me  
All these years and no one heard  
I'll show you in spring, it's a treacherous thing  
We missed you hissed the love cats  
We missed you hissed the love cats

Like cagey tigers  
We couldn't get closer  
The way we talk, the way we walk  
The way we stalk, the way we kiss

We slip through the streets while everyone sleeps  
Getting bigger and brighter and wider and lighter  
Bigger and brighter  
Wider and lighter

Into the sea, you and me  
All these years and no one heard  
I'll show you in spring, it's a treacherous thing  
We missed you hissed the love cats  
We missed you hissed the love cats  
We missed you hissed the love cats  
We missed you hissed the love cats  
We missed you hissed the love cats  
We missed you hissed the love cats  
We missed you hissed the love cats
