Tricky

We know how you do  
We can see through you  
We know how you do  
We can see through you

DJ Milo

You can't see me  
No detail  
Make the whole crowd pump their fist like Bobby Seal  
Captivate like I was Rap Brown on the mic  
Known to stomp a fake rap clown on sight  
What you like  
No compromise  
No stompin right through  
No surprise  
Cos I got seeds to feed  
Man I don't need the weed  
Your crew [go wanna] test me  
Get it on  
I combinate like [Jim Beam]  
To the break of dawn  
And you'll be that punk in a ditch  
You can grab the mic and get rich

Tricky

You say you never heard of this  
Do you [uhm] wanna swear to this?  
I got a word for this  
You wannabe alternative?  
Don't carry no chrome even  
Life alone  
Creepin  
Microphone

At fifteen, I started to get high though  
Ooh my voice it went from high to low  
Some persons hide a little  
Like [Clyde] from DJ Milo  
That's how it is,  
I let [them dandy] handle my business  
He got heaps on heaps and on heaps of integrity

And foolish suckers, they're scared of me  
There's no need to be scared off  
I just got a big mouth  
Guess I'll get off  
Get back  
When you suckers are slack  
You smack me, I smack you back  
Smack me and I'll smack you back  
Smack me and I'll smack you back

If you do not suck in high though  
Ooh my voice went from high to low

DJ Milo  
At fifteen, i started to get high though  
My voice went from high to low  
From [Brooke] I hid a little  
I hung out with DJ Milo

And that's how it is

[Fifteen...high to low]  
DJ Milo  
[Kick that shit man]

Tricky  
[Yes [????]]

[Back in business]  
[[High to ho]]  
[Back in business]

Smack me and We'll smack you back

Smack me and I'll smack you back  
Smack me and I'll smack you back  
You smack me and I'll smack you back

[That's how it is]  
Say you've never heard of this  
How they wanna [switch] to this  
I got a word for this  
You wannabe alternative  
Fifteen, I sucked in [high to ho]

I get high with DJ Milo

We know how you do  
We can see through you

That's how it is

We know how you do  
We can see through you

[Don't wanna be alternative]  
[I don't carry no chrome]  
[I leave my]  
[Gun at home]

[Smack me and I'll smack you back]  
[That's how it is]  
[We back in biz]  
[We can see through you]

Etc...
