Dig if you will the picture  
Of you and I engaged in a kiss  
The sweat of your body covers me  
Can you my darling  
Can you picture this?  
Picture this ?  
Can you picture this?

Dream if you will a courtyard  
An ocean of violets in bloom  
Animals strike curious poses  
They feel the heat  
Between me and you  
Between me and you  
Between me and you

How can you just leave me standing?  
Alone in a world that's so cold?  
Maybe I'm just too demanding  
Maybe I'm just like my father too bold  
Too bold

Touch if you will my stomach  
Feel how it trembles inside  
I've got the butterflies all tied up  
Don't make me chase you  
Don't make me  
Don't make me chase you  
Don't make me chase you

This is what it sounds like

Even doves have pride
