Tricky:

Damn bam

Read the lines

Bleed succeed

We design

I couldn't care less

It's a killing time

We're killing mine

you're feeling fine

Running (?) every time and every sign

every line and every crime

No snack, it bring you curse

No sweat, you like your worse

strange fruit ...

changing bombs into ear gums

Running (?) every time and every sign

Every line and every crime

Tricky & Costanza:

Where I'm from

There's something wrong

Something wrong

I don't belong

(2x)

Please be still

Not for real

(2x)

Where I'm from

There's something wrong

Something wrong

I don't belong

Please be still

Not for real

Not for real

Not for real

Mike Black:

So you really want it

Yes, we got it

If you listen in then yes, you got

We want a company we're in

let's do talk shit

I don't really want to have a problem til' (?)

I don't really want to have a problem til' (?)

All I really want to do is make this clear  
we do bleed you  
so deceive your mind and nose  
when I dont see in  
wosen grosen (?) to a dream  
it bozen dozen (?) to something  
Hold it tight when cuts run deep  
No one sees what you're hiding

Such you gonna get

la solita vita non modifica il mondo\*  
[the same life doesn't modify the world]  
solo e' se una donna puo' fermare l'onda  
[only if is a woman she can stop the wave]  
rosso fuoco viva nel mio petto  
[red as fire, alive in my breast]  
solo una parola c'e' : rispetto  
[there's only a word : RESPECT]  
scelgo, lo voglio non aspetto  
[I choose, I want it I dont wait]  
che l'onore del l'onore del tuo scettro  
[that the honour of the honour of your sceptre]  
Blitz a Diaz, polizia  
[Blitz in Diaz, police]  
blocco nero e' la tua spia  
[black block is your spy]  
non mi fermero' mai ai tuoi richiami  
[I wont never stop to your recalls]  
corro piu' veloce della tua Ferrari  
[I run faster than your Ferrari]
