caught in a lighthouse
covered in sand
sift through the dark (or door?)
reach for your hand
give me a reason
to step out in the same (or sand?)
while you're smoking cigarettes
somebody comfort (or come for?) me
yeah

carry the weight
just in time
yeah
tighten the nuse
pull on the line
yeah
carry me out
just in time
yeah just in time

yeah the light on the dashboard
confesses itself to the road
and the things that will be here
until we grow old
oh yeah

carry the weight
just in time
yeah
tighten the nuse
pull on the line
yeah
carry me out
just in time
yeah just in
yeah just in time

you carry me out
oh thankfully
yeah just in time
yeah you're pulling me out

yeah carry me
oh just in time
i never thought you'd be the one
that would carry me through all of this
