I'm waiting  
Wait to bolt away my breath  
I'm gone I'm gone  
I'm staying  
Though you act though I've grown legs  
I'm gone I'm gone

In the crowd, I'm drowning  
No one's around me  
In your arms, my whole world's falling away

My armor left in bundles on the floor  
Can't hide anymore  
My shadow so much darker than before  
Can't see anymore

In the crowd i'm drowning  
No one's around me  
Sailing by, my whole world is falling away

And I'm sorry that I've stopped your ways  
But you can have me when you're on your way in  
And I'm sorry that you feel this way  
Sorry that you stopped to say you couldn't stop to stay  
You couldn't stop to stay  
You couldn't stop to stay

I'm waiting  
Fear is bursting in my breath  
I'm gone I'm gone  
In the crowd I'm drowning  
No one can find me  
Let me stop surrounding  
I'm falling away

And I'm sorry that I've stopped your ways  
But you can have me when you're on your way in  
And I'm sorry that you feel this way  
Sorry that you stopped to say you couldn't stop to stay  
You couldn't stop to stay  
You couldn't stop to stay

You couldn't stop at all  
You couldn't stop at all  
You couldn't stop

I'm sorry that it's not two ways  
But you can have me when you're on your way in  
And I'm sorry that you feel this way  
Sorry that you stopped to say you couldn't stop to stay  
You couldn't stop to stay you couldn't stop to stay

I'm waiting (5x)
