i'm not shouting, i'm just talking  
you're not listening, you're just looking  
take one into grab another  
in one ear and out the other

and i'll stop it, i'll stay there  
i'll never be the one you love

count your losses  
stop your whining  
must admit you've perfect timing  
i'll just wait here for an answer  
your opinion still advancing

i'll stop it, i'll stay there  
i'll never be the one you love, the one you love

i'm not shouting, i'm just talking  
you're not listening, you're just talking

and i'll stop it, i'll stay there  
i'll never be the one you love  
(i'll stop it) i'll stay there  
i'll never be the one you love, the one you love  
the one you love  
the one you love  
the one you love
