I got some space to fill
I don't know if I ever will
Can't get my heavy feet off the floor
I can't drag my body to ...
it doesn't seem like i'll make it
back on track

i got my head on the ...
and nothing i say
makes any sense cause whatever i pay
it's way out of tune, it don't feel my way
can't seem to get you to groove tonight
i shake my head and i roll my eyes
it seems i could use some good advice
it doesn't seem like i'll make it
back on track

Someday I try it again
but right now i don't think i can
i shake my head and i roll my eyes
i seems i can use some good advice
i doesn't seem like i'll make it
back on track
