Traffic in the city turns my head around.  
No no no no no...  
Back up on the freeway, back up in the church.  
Everywhere you look, there's a frown.

Co-Commotion, yeah yeah yeah com  
Co-Commotion, yeah yeah yeeaahh

People keep on talking, they don't share your ways  
Joy joy joy joy joy...  
talk up to the lighthouse, talk up to your dog.  
There's so much going on and I just can't.

Co-Commotion, yeah yeah yeah com  
Co-Commotion, yeah yeah yeeaahh cooommm  
YEAH COM

Learning how to get, you're sure you saved some time  
run run run run run...  
Rushing to the gym now, rushing to get high  
Worrying about the time you saved.

Co-Commotion, yeah yeah yeah com  
Commotion, lot of commotion  
Commotion, commotiooon...
