It's coming closer,
the moment is here
For me to give up,
what I held so dear
It's time to pay,
time to deliver
My knees are shaking,
I'm trembling with fear

Too late to hide,
I can't run away
Impossible to fight,
Can't we pray?
To give me more time,
I'm stuck in the new
That I'm selling my soul,
to the devil for you

It brings my loss,
it brings my spleen,
it brings my liver
It brings my heart,
brings my head,
makes me shiver

No time to think, time to deliver
My knees are shaking, I'm trembling with fear

I'm on my...
Down on my knees

I'm on my... Down on my knees (2x)
Down on my knees
Down on my ...
Down on my knees
Down on my knees
Down on my knees
Down on my ...
