Today is the day,  
I tried to get away.. yeah  
In this place, I'll never find myself again  
Today is the day,  
I tried to get away.. yeah  
I go as far as I can without a map or a masterplan

Today is the day...  
That I'm leaving this place,  
I get out of your face  
I stay, I'm away for good,  
I get out of your hood

I said today is the day I quit my playin'  
In this place, I'll never find myself again  
There's no point in sticking around  
trying to stay here  
Too much pricks and to do  
and I don't know where to begin

Today is the day...  
That I'm leaving this place,  
I get out of your face  
I stay, I'm away for good,  
I get out of your hood

Today...  
I'm leaving this place,  
I get out of your face  
I stay, I'm away for good,  
I get out of your hood  
Every day, single day  
Every day, I get away  
Every day, single day  
Every day, I get away [Repeat 4x]

Today is the day...  
That I'm leaving the place,  
get out of your face  
And I stay  
Away for good,  
I get out of your hood!

Today...  
I'm leaving this place,  
get out of your face  
And I stay  
Away for good  
I get out of your hood
