COME OUTSIDE - 28/06/1962
2 weeks at #1 - 19 weeks on chart

Little doll we've been jiving all night long
(Little doll)
Little doll gotta feeling something's wrong
(Little doll)
Coz it aint right to wanna keep on dancing
There won't be any time left for romancing

Come outside, come outside
There's a lovely moon out there
Come outside, come outside
While we got time to spare

Little doll it seems ages since we kissed
(Little doll)
Little doll think of all the fun we've missed
(Little doll)
Coz it aint right to wanna keep on dancing
There won't be any time left for romancing

Come outside, (what for) come outside (whats the
rush)
There's a lovely moon out there (it's cold outside)
Come outside, (why) come outside (you do keep on)
While we got time to spare (I want another twist)

Now I went and promised your old man
That we'd be home about half past ten
Seems we've got just one more jive
Then we'll be starting home again

Come outside,(get lost) come outside (go and ask lil)
There's a lovely moon out there (you can go off people)
Come outside, (give over) come outside (belt up)
While we got time to spare (why don't you listen to the
beat)

Little doll I know the band ain't bad
(Little doll)

Little doll I'm a-getting kinda mad
(Little doll)
Coz it aint right to wanna keep on dancing
There won't be any time left for romancing

Come outside,(lay off) come outside (shove it)
There's a lovely moon out there (you are a one)
Come outside,(all right) come outside (not for too long)
While we got time for a bit of slap and tickle (I'll slap
and tickle you in a minute)
Oh come out for a bit of..
