First at the club im fresh to death
And now im shining like a star and im feeling their hate
See me, i go dumb
Lookin,super duper extra uber retarded
and my swagger so big, so mean, so stupid, so
ridiculously idiotic
Alcohol in my system You know how im feeling
The ladies in the club and you know i dont see you
Throw you to the ceiling, you really wanna be me
And that'll never happen but i can teach ya
Sit down class in session, You do you man thats first
lesson
hm,what guys dont hate dont jack and stay fresh
