Horse to Mexico  
Trini Triggs

I'm tired of wakin' up to a world full of problems  
Seeing in reality you and me ain't gonna solve 'em  
There's a little place in Texas bout a thousand miles  
from no where  
Baby maybe we just oughta pack up and go there

Refrain:

We can sit by the river while we heat up a tortilla watch  
the Rio Grande go by real slow and if we run out of  
tequila for  
our margarita we can take our horse cross to Mexico.

Saguaro cactus  
Coyotes on the hill  
Smoke from the fire  
Roastin' Chili's on the grill  
Dirt floor Adobe  
Indian blanket on the door  
Leave the laptop and the TV  
We don't need 'em no more

Refrain:

We can sit by the river while we heat up a tortilla watch  
the Rio Grande go by real slow and if we run out of  
tequila for  
our margarita we can take our horse cross to Mexico,  
Mexico

Ohhh desert night is big and bright  
With a million stars we're wastin' time

Here in the city,  
We shop in malls  
Eat out in restaurants  
Screen all our calls  
Go to work every mornin'  
Behind miles and miles of cars  
Just to pay off the interest  
On our gold MasterCard

We can sit by the river while we heat up a tortilla watch  
the Rio Grande go by real slow and if we run out of  
tequila for  
our margarita we can take our horse cross to Mexico,  
(Mexicooo)  
We can take our horse cross to Mexico, (Mexicooo)  
We can take our horse cross to Mexicoooooo
