You know
This not what I want hip hop just a front.
I really wana do acting like hollie berry....
Miss Nana""plays cat women
Try me dare me.....
Let go me and jo
Yall surprise to hear me.....
Get um

What up jo
Did you really think for a minute.
That I would let you slide.
Without hitch Hiking a ride.
I know you got bow already on it..
Heavily doin it.
But 3 heads it better 2 let me on it
Nuff respect to my jamacia massive
Buyaca buyaca Nana is nations hottest.
I see you all up on CRIBS fronten up in.
Long story short you nt own nothing up in.
Please explain to me the insantiy.
how shorty tryna snatch me with his platinum chains
and jeeps.
If feel good to see (another) girl my age on the same
page hit the stage
and amaze for days.
There No stoppen us I'm tellin ya breath.
Cuz Nana and Jojo like Thema Louise.
Ebony & Ivory , they'll never be a rivarly .
We headed for a dynasty.
Musical Reciprocity..
Go look it up.
