So I'm forced to raise my voice or ocative louder

Spread the word Nana got the power

just cause ion talk about crime and violence Im not a  
coward

You throwing dirt on my name? I will not allow it

I had to lean back

When I flip the game over im bringing my team back

Now a days we got ball players tryna flow

An educated kid is the one that cant be faded

See things don't pop or crack on my squad
