Swag, swag, swag,
I do the Gucci, Louis, Prada, designer wear,
You might call it wasted me I say I'm out of here,
I've been call it,
, you're looking,
You say you're getting money, I say you better show it,
I'm saying OK, you say you better know it!
I don't need no friends, I don't need nobody to pay for
me to get it
I shake it by myself, your swag shit is gone,
Got shoes and a bill, .. bag at home,
Shawty still super thick, got,
I ain't taking about she, she go ,

Swag, swag, swag,
Swag, swag, swag,
Bitch I got the cash,
Bitch I got the cash,
So I don't need no swag!
,swag!
Swag, swag, swag,
Swag, swag, swag,
Bitch I got the cash,
Bitch I got the cash,
So I don't need no swag!
