[Intro - Lil Shade]

Left left left right left  
yo left left left right left

(LiiiiIIII Shaaadddeee)

left left left right left  
yo left left left right left

(Sssshhaaaddy yyy Aftermath gggg-unit!!)  
COME ON!

[Chorus - Lil Shade - Mr. Chris]  
Now step step left right left  
March march march through the mosh  
Step step left right left  
Im about to lose it stop it damn i just lost it  
I told ya im a balla and i told ya dont mess with this  
soldier  
So everybody just step step left right left

[Verse 1 - Lil Shade]  
Now everybody put your right hands over your hearts  
for the soldiers one more time put your right hands  
over your hearts for the soldiers here we go were about  
to blow look out below chris take it away lets go

[Mr. Chris]  
Yea finally im about to show all you knuckleheads  
just how much I've grown so sit back buckle up  
hold on for the show Lil Shade lets go were about to  
blow  
you can see it in my eyes even when i grin im about to  
commit another sin

[Lil Shade]  
Yea im back big matt cuttin back in my nikes yea i know  
you like these there like cleats my man chris and Dr.  
Dre  
make the illest beats sit back in your seat and take the

time  
to listen to this CD maybe one day you'll see me on  
your TV  
you can see me when you sleep im in your dreams and  
thats as close as you'll ever get to me without having  
our  
soldiers run up on you and make you leave sometimes  
they will make you plead maybe even make you bleed  
listen to the chorus here it is it goes alittle something  
like this

[Chorus - Lil Shade - Mr. Chris]  
Now step step left right left  
March march march through the mosh  
Step step left right left  
Im about to lose it stop it damn i just lost it  
I told ya im a balla and i told ya dont mess with this  
soldier  
So everybody just step step left right left

[Verse 2 - Mr. Chris]  
Sometimes our motha fuckin soldiers may get alittle bit  
crazy  
maybe even shady and i know sometimes listening to  
us may make  
you hate us but remember were soldiers you could  
never take us  
break us dont make no mistakes gee cuz we will set ya  
straight  
see i will have lil shade snip the breaks on your  
escalade and  
make your problems escalate homie you dont wanna  
step up to me

[Lil Shade]  
Times up bitch too late your late stop trying to be  
something  
you aint thats just something that i wont tolerate your  
only  
what you paint in your picture in your angst but its  
shown clearly  
on your face you aint even have to make any  
complaints i guess  
you dont know our music will only grow i followed my  
dream  
and followed in someone elses shadow the star from  
the eminem  
show my idol you better believe his curtains will never  
close  
hes just waitin for the right time to release the next  
episode aiyyo

chris man lets go (COME ON NOOOOWWW!!)

[Chorus - Lil Shade - Mr. Chris]

Just step step left right left

March march march through the mosh

Step step left right left

Im about to lose it stop it damn i just lost it

I told ya im a balla and i told ya dont mess with this  
soldier

So everybody just step step left right left

[Outro - Lil Shade]

Yea! 2005 Hotline Records man Matt Nicholson a.k.a. Lil  
Shade

Chris Geiger a.k.a. Mr. Chris

True soldiers man Ha Ha Ha yo were out!

PEACE!
