There was a time

when nothing would last

There was a time, I held on to the past

(chorus)

I would walk on wather

Just to be with you

Split the ocean, cross the sea

Walk on wather

If you believe

There was a time

I lost my faith

There was a time

I could only hate

You were my sheperd,

You are my guide

I followed your dark eyes

Right into the night,

You were my saviour

You came and touched my soul

(repeat chorus)

There was a time

When nothing would last
There was a time
I held on to the past
You were my sheperd
You were my guide
I followed your dark eyes
Right into the night
You were my saviour
You took control
You came and touched my soul
But why are you still
overshadowed by a doubt
if only you could see
The love that carries me
