'Dem Changes

By Buddy Miles as performed by Band of Gypsies

Well my mind keeps goin through them changes

I think I'm goin outta my mind

Every time you see me goin somewhere

I think I could commit a crime yea

Oh my baby she left me the other day

and we were havin so much fun yea, yea

Yea my woman she stepped out on me

And thats the reason I'm on the run

She's got me runnin

She's got me Hidin

She's got me runninhidinrunninhidin yea

She's got me runnin

She's got me hidin

She's got me runninhidinrunninhidin
