Nobody could believe it when they saw you with me  
cause I wasn't exactly the man they vision you with  
they thought I wasn't good enough for you  
but, even though, everyone acted so fake  
Told you, You're making a big mistake  
But you Wouldn't let nothing to persuade you  
to think otherwise

And you're the only one who believed in me  
When everyone wanted to put me down  
And you're the only one who believed in me  
Whatever it takes, I won't let you down

Why can't they accept me for who I am  
I'm sick and tired of people telling me  
How I should live my life  
And all that we wanted was this bitterness to end  
But we knew it wouldn't be long  
Till they try to tear us apart again

And you're the only one who believed in me  
When everyone wanted to put me down  
And you're the only one who believed in me  
Whatever it takes, I won't let you down

They love to get me down  
They try to shut me out  
And cloud your mind  
You're the only one  
That Won't compromise  
They love to get me down  
They try to shut me out  
And cloud your mind  
Whatever they try  
You won't compromise

Your the only one who believes

It ain't fair for you to be stuck in  
between what they feel  
is right for you and what you love

And you're the only one who believed in me  
When everyone wanted to put me down  
And you're the only one who believed in me  
Whatever it takes, I won't let you down

and your the only one

You're the only one who believed in me  
Whatever it takes, I won't let you down
