Once upon a time I walked an easy road
I Didn't think I needed anyone.
I could make it on my own
I Never thought about tomorrow, just livin' day to day
I Never thought these clouds would come along
And bring me so much pain
When my world was upside down
I didn't think that I could make it,
I Reached out my hand for you
And you were there to take it

Chorus

I wanna thank you
For being my strength when I thought I couldn't go on
And I wanna thank you for showin me right when my
heart was leadin me wrong,
For all of the times I was lost and my soul was blind, I
didn't know what to do..Somehow you pulled me
through, and I wanna thank you.

You..you you.

Verse 2

When I was down and feelin low, looked up and you
was there.
Somehow you knew and found me, you were the
answer to my prayers
You shined a light when it was dark, and opened up my
eyes,
You led the way when I was lost, And you helped me
realize
I will never walk alone, cus you'd be by my side
I don't know what I'd ever do, Without you in my life.

(chorus):

I wanna thank you
For being my strength when I thought I couldn't go on
And I wanna thank you for showin me right when my
heart was leadin me wrong,
For all of the times I was lost and my soul was blind, I
didn't know what to do..Somehow you pulled me

through, and I wanna thank you.

Bridge

With every step I take, you showed me there's a way
and in your hands my heart will never go away.

I wanna thank you

For being my strength when I thought I couldn't go on
And I wanna thank you for showin me right when my
heart was leadin me wrong,
For all of the times I was lost and my soul was blind, I
didn't know what to do..Somehow you pulled me
through, and I wanna thank you.

Thank you for the love you gave me
and everytime you were there to save me
Thank you for bein right by my side
I wanna thank you when I thought I couldn't take it you
reached out my and to take it.I
