It's u and me
Moving at the speed of light into eternity ya
Tonight, is the night to join me in the middel of exticy
Feal the meledy and the rythm of the music around u,
around u
I miss you girl
I miss you girl
Imma make you my official girl
You look so dumb right now
Standin' outside my house
Tryin' to apologize
You're so ugly when you cry
Please
Just cut it out
Beggin, beggin you
Put your loving hand out baby
Beggin, beggin you
Put your loving hand out darlin
Ha Ha Ha Ha
It use to be the other way around but,
The story changed my heart is breaking,
You need to recognize she was just a ,
I think its time for me to go.
It was awesome but we lost it
It's not possible for me not to care
Now we're standing in the rain
But nothin's ever gonna change until you hear, my dear
Anything to make you smile
You are the ever-living ghost of what once was
I never want to hear you say
That you'd be better off
Or you liked it that way
