hold on to Peace
hold on to Peace
hold on to Peace
hold on to Peace

hold on to Peace
hold on to Peace
hold on to Peace
hold on to Peace

hold on to Peace (hold on to it)
hold on to Peace (hold on to it
hold on to Peace, hold on to it
hold on to Peace, hold on to it

what do you say
when there're no more words to say
what do you give
when there's nothing left to give
when you wanna hide
you wanna cry
'cause you know there'll never be

another love
that's gonna be
just what you need

what do you do
what do you do
what do you do
what do you do
what do you do
what do you do
what do you do

and who do you call
when there's no one left to hear
and where do you go
when your touch, they seem to fear
when you try to love
somebody else

but is always ends the same

when all that you gain
is so much pain

what do you do
what do you do
what do you do
what do you do
what do you do
what do you do
what do you do

now, i have made my share of mistakes (oh yeah,
yeah)
though, iâ€™ve tried to give
just as much as iâ€™d take

now, will there ever be (ever be)
someone for me (one for me)
to give me, what I give

in return

(keep on living, keep on living)
maybe one day iâ€™ll learn
(maybe one day weâ€™ll all learn)

what do you do
what do you do
what do you do
what do you do
what do you do
what do you do
what do you do

hereâ€™s what you do

hold on to Peace
hold on to Peace
hold on to Peace
hold on to Peace

when your mommaâ€™s gone (hold on to it)
when your fatherâ€™s gone (hold on to it)
when your brotherâ€™s gone (hold on to it)
when your sisterâ€™s gone (hold on to it)

when your feelingâ€™s gone (hold on to it)
your motivationâ€™s gone (hold on to it)
when your will to live is gone (hold on to it)

even when your mind seems gone (hold on to it)

(yeah, hold on to it)

no matter where or what
just hold on to Peace

hold on
hold on
hold on
hold on

Hold on to Peace
