Living like Love

I know what they said
They placed in your head
They said you could never be all that you wanted to be
But they lied

It's time to come out now
It's time to get free now
It's time to live Love's way
And do this today

And though you're unsure of the plan
Hold on to Peace, and you can live Love

Living like Love
Living like Love
Living like Love
All that you need is Love
Living like Love
Living like Love

Oh
Living

Living Like Love

You're mamma ain't you
You're daddy ain't, too
I know that it seem that you're out here alone

But you see, that ain't true

It's time to come out now

It's time to get free now

It's time to live Love's way

And do it today

And though you're unsure of the plan

Hold on to Peace, and you can live Love

Living like Love

Take it from me, I know where you are now

Take it from me, hate won't get you far, no

Take it from me, somebody who knows

That Love is the only place you can go

Love's 'gon give you Peace

Love's 'gon give you Grace

No matter what they say

Hold on to Peace today

Love's 'gon give you Peace

Love's 'gon give you Grace

No matter what they say

you, you, you, you,

you, you, you, you can Hold on to Peace
