[Verse:]

Everything about you
Looks like you're defeated
Came here with a bible
But I can tell you ain't read it
And you're full of complaints (complaints)
I can think of 10 reasons
That you should give him praise
Here's a good one you're still breathing

[Bridge:]

Everything you're going through
My God's gonna fix it for you
But you got to be willing to do the things he wants you
to do
He wants you to lift your hands
He wants you to move your feet
He wants to see you dance
He wants to hear you sing

[Chorus:]

So when your back is against the wall (you betta bring
your praise)
When your family in trouble (you betta bring your
praise)
When you step up on your job (you betta bring your
praise)
When you're up against the devil (you betta bring your
praise)
When you about to go to war (you betta bring your
praise)
When you gotta fight 'em off (you betta bring your
praise)
Before you go to battle (you betta bring your praise)
You bettah bring your praise (you betta bring your
praise)

[Verse:]

Come on church now
Won't you let me invite you
Into the praise party (into the praise party)

I'm here to recruit you
Into the praise only
There's nothing in your closet (There's nothing in your closet)
That would let a praise?
I can tell you wanna holla
I can see the praise on you

[Bridge]

I got amazing but he wants you to praise him
He could do anything but he wants you to praise him
Don't think it's crazy when the rest start to praise him
If you want to see amazing, all you gotta do is praise him

[Chorus:]

So when your back is against the wall (you betta bring your praise)
When your family in trouble (you betta bring your praise)
When you step up on your job (you betta bring your praise)
When you're up against the devil (you betta bring your praise)
When you about to go to war (you betta bring your praise)
When you gotta fight 'em off (you betta bring your praise)
Before you go to battle (you betta bring your praise)
You bettah bring your praise (you betta bring your praise)

Clap clap clap your hands
Clap clap clap (everybody go)
Clap clap clap your hands
Clap clap clap (everybody go)

See you gotta learn to praise no matter what you're going through

I got amazing but he wants you to praise him
He could do anything but he wants you to praise him
Don't think it's crazy when the rest start to praise him
If you want to see amazing, all you gotta do is praise him

[Chorus:]

So when your back is against the wall (you betta bring your praise)
When your family in trouble (you betta bring your

praise)
When you step up on your job (you betta bring your
praise)
When you're up against the devil (you betta bring your
praise)
When you about to go to war (you betta bring your
praise)
When you gotta fight 'em off (you betta bring your
praise)
Before you go to battle (you betta bring your praise)
You bettah bring your praise (you betta bring your
praise)
